

Contract

Survey of the Kauru and Kakanui Rivers 2021

THIS AGREEMENT is made on the 17th June 2021

BETWEEN **GEOMATICS N.Z. LTD.** — Contractor

AND **STEPHEN TAYLOR** — Sub-contractor

BACKGROUND

Geomatics N.Z. Ltd. is contracted by the Otago Regional Council for surveying services comprising a topographic survey of the Kauru and Kakanui Rivers

Mr Taylor has agreed to participate in this survey and to perform the duties set out in this agreement.

Mr. Taylor shall begin his duties on 15th June (or thereabouts) 2021. These duties will include:

Data processing and production of cross-section plots

Stephen will produce cross-section plots from data provided in the ORC format for cross-section data. Plots will be produced in Autocad and delivered in .pdf format. It is expected that some quality control, checking and revisions are part of this contract.

A schedule of prices/costs is given below. Note that this schedule is subject to successful completion of the survey within the time period June 15th—June 30th 2020 (with allowances for reasonable delays).

Stephen Taylor	
Contract Rate	\$35.00 /hr.
10 sections per day	
8 hours per day	\$280.00/day
8 hours at 10 sections 48min per section.	
67 Sections /10 sections per day = 6.7 working days	
6.7 days at \$280.00 per day	= \$1879.00
Rounded 7 days @ \$280.00 /day = \$1960.00	
Total value of contract \$1960.00
